AUTOMATION DELIVERED

Position Title: Software Developer

Position Status: Full Time

Position Location: Davidson, NC – Candidates must be permanently authorized to work in the US

About Impact Financial Systems

IFS delivers high-performance business process automation solutions that meet our clients' unique needs through a combination of our best-in-class solutions, technology and services. As a growing software company, IFS offers a fast-paced work environment and expanding career opportunities, along with a casual work environment. The company has been recognized by the Charlotte Business Journal and the Great Places to Work Institute as an employer with exception benefits and workplace culture.

Position Description

IFS has an immediate need for full-time software developers to join our team. Located just north of Charlotte in Davidson, NC, IFS is a software firm whose platform is leveraged to deliver high-performance business process automation solutions. Highly configurable and flexible, the IFS Automation Platform is a web-based solution that offers configurable integrated components that support a wide array of business and technology needs. The ideal candidate would be a full stack developer who is comfortable in a highly collaborative environment, wants to jump in and make an immediate impact, and is willing to accept ideas as well as share their own.

Qualifications:

- Minimum of 1 year of experience in the following technologies: C#, .NET, REST, SQL, JavaScript, Open Source libraries and frameworks
- Bachelor's degree in relevant field or equivalent work experience
- The ability to communicate to individuals with various technical abilities
- Azure/ AWS a plus
- Candidates must be permanently authorized to work in the US and pass a background check
- Enjoys a challenge and thrives in fact-paced, dynamic environments

How to Apply

An Employee Focused Workplace

The IFS business model leverages a great tool in the hands of great people -

- Talented software developers who build the IFS Platform's capabilities
- Strong project managers with brokerage experience to deliver projects
- Capable business analysts with excellent critical thinking and problem solving skills

Our success and ability to grow is directly linked to our ability to attract and retain great people. Therefore, we have worked to create a culture and workplace environment that employees look forward to being a part of, earning us recognition as a "Best Places to Work" company by the Charlotte Business Journal two years in a row!

IFS prides itself in offering:

- A strong pay scale with unlimited opportunity for growth and advancement
- Fully paid health, dental, disability and life insurance for all full-time employees
- Participation in the company 401(k) plan with an automatic 3% company contribution
- Creative benefits designed to help promote an employee-focused environment, such as weekly company-provided lunches and Monday morning breakfasts
- New facilities and technology tools that encourage collaboration, innovation, and creativity among employees
- A modern and open work environment designed for a wide range of personnel including executive, technology, professional services and support staff
